

INGO STAFFING DASHBOARD

Staffing Overview

Highlighting Key North-east Locations

National Capacity

The information in this dashboard is accurate as of October 2018. It summarises the staffing of national and international staff within INGOs. National staff make up 94% of the total 5,233 staff of 32 INGOs operating in Nigeria. In the north-east, there is a slightly higher concentration of internationals in Maiduguri (8%), less in Damaturu (3%) and none in Yola.

15 NIF members nationalised 84 expatriate positions which are now fully occupied by national staff.
